VTScada
Software for Monitoring & Control

Operation & Configuration Training Course

October 3rd – 6th, 2016

Bedford, Nova Scotia

Course Overview

Operators and developers will learn about the numerous integrated features of VTScada® monitoring and control software by creating a working, fully-featured application from start to finish. This course will focus on development with the new and innovative VTScada Idea Studio, a key component in VTScada 11.2.

Time: Monday to Thursday 9:00 am to 5:00 pm
Location: Trihedral's Bedford Training Facility: 1160 Bedford Hwy, Suite 400, Bedford, NS, B4A 1C1

To Register: Fax: **902.835.0369**, or email: trudy.anderson@trihedral.com
