Subject: Approval for Continuing Education Training

Dear Mr. Cooke:

We have approved your request to offer the following training for continuing education credit:

SCADA Software Operation and Configuration Course - 36 Contact Hours –
Course Id: CE09120701

Approval Expires: September 2010

Once training is completed, you are required to send us the list of attendees **with their social security number or operator certification number within 15 days (every 30 days for on-line training)**. Without a correct social security number or operator certification number the operator will be unable to receive credit for the course. **It is also important that you reference the course identification number in all correspondences with us.**

Sincerely,

James Pugh, Education and Training Specialist
